NASHVILLE, TENN.

Academy of St. Cectals

The Buty of the Press. The fissh journals and the lovers of The flash journals and the lovers of scandal have been surfeited during the past few days with the developments made in the examination before S. A. Moore, Esq. We have excluded from our columns much of the disgusting in the mirth of the mighty seal details, and shall continue to do so in this and all other similar cases. Were we to publish a flash paper, and dispost dto pander to the morbid taste of the vulgar, we could show considerable to the state of the vulgar, we could show considerable to the state of the vulgar, we could show considerable to the state of the vulgar, we could show considerable to the state of the vulgar, we could show considerable to the state of the vulgar, we could show considerable to the state of the vulgar. able 'enterprise;" for we have before us the sickening details of the ruin of a beautiful young lady by her brotherin-law, under whose charge she had been placed by her friends in an adjoining State. Silence upon such subjects is the best means for the protection of public and private virtue. The publication of scan- From the Jackson (Teun.) Democrat.]

d slous gossip, instead of lessening the evils complained of and promoting morality, is only exciting unhealthy emotions, and pandering to depraved literary tracks. Public attention is literary tastes. Public attention is thoroughly aroused and it is determined to put a stop to the flippant how shall we attain that object at the scandalous and contemptible manner least sacrifice of principle? To accept in which obscene matter is heralded to the world. Unavoidably, in the columns of any paper, which pretends to be a reflex of the incidents of the day, there will be seen much which is really untit for public obserwhich is really until for public observed the which is really until for public contents, the constructions of the interest of the requirities introduced into the judicial system of Kennick of the interest of the public contents of the interest of the press and a Radical? For ourselves, and a grant some of the State of Interest the press and the theorem in the anomalours and the contents of the state of the groveling and depraved, is a disgrate to the press and to the contents and selected and the contents of the state of the groveling and depraved, is a disgrate to the press and to the contents and selected and the contents of the state of the groveling and depraved, is a disgrate to the press and to the contents and selected and the contents and the recommental problems of the state of the groveling and depraved, is a disgrate to the press and to the contents of the state of the groveling and depraved, is a disgrate to the press and to the contents of the state of the groveling and depraved, is a disgrate to the press and the pression of the state of the groveling and depraved, is a disgrate to the press and the pression of the pression of the pression of the state of the groveling and depraved, is a disgrate to the press and the pression of the out-posts of honor and the correct | Radicalism. standards of morals. This is no fancy

sion bridge now crosses it, in which and certainly it will not reappear, the old rame building now standing may the control of the purchase was thrives. State has a right to secone, or many may the state of Congress, but whether each control of the purchase was thrives. State has a right to secone, or many may may the state of the state the cid frame building now standing near the spring. The further consideration for the purchase was thirteen years in service as Indian fighter, in

WIND AND SEA.

The New Departure.

which is really until for public observation; but a sometimes necessary exhibit of objectionable pictures does not justify the detailed history of all these things are to be accepted

Redans of evil; and its parallels and principle of Radicalism. To tear down approaches cannot be resisted! I like the old government, to erect a centhe click of the type in the composing. Iralized government in its stead, to stick of the compositor better than the click of the musket in the hands of the soldier. It bears a leaden messenger of deadlier power, of sublimer force, and of a surer aim, which will nit its mark, though it is a thousand years ahead?" The press is shorn of that "sublimer force" and it is not secopted—or, if any once prefers, what is not secopted—or, if any once prefers, what is rejected?

**Stick of the compositor better than the compositor. It is all the feed States and goldbie up the country.

There is a great excitement in the slates in the central fact of the Amendment of the Maine, and objects, and misses to individuals? For one, if a can know how, by act or omission, I can know how, by a vest the whole power in the Natio

the press in this country is emphatically free, and where it is all. We are now speaking of necessamost liberally patronized, is powerful ry logical effects. Men who advocate graded to a degree of licentinusness Radicalism. We think otherwise, that has produced great and alarming and hold that a true analysis will evils. The flash papers are a nuisance to the community in which they are published. They are breaking down in a acceptance of all the essentials of the amendments necessarily implies genuine acceptance of all the essentials of the acceptance of the amendments necessarily implies genuine acceptance of all the essentials of the community in which they are

Is the doctrine of State rights to be seen in all its deformity. The moral, Foderal Union, but the right of the Two are condemned to death, and a intelligent part of so States to regulate their own internal dozen to the galleys. them to their source. And to the by all our statesmen down to the elecabuse of the freedom of the press, and tion of Mr. Lincoln, we shall not stop to its gross licentiousness, more than to prove, for it needs no proof. Now, to any other cause, is attributable this great scourge, lashing society and darkening the best hopes of good amendments which we are called amendments which we are called a considerable damage. The copy of the copy of the considerable damage. The copy of the c people. The remedy is in the hands of the lovers of morality. Let them be not dismayed by the great lever that is wielded by the press, and which is felt by its power throughout all the ramifica-the Supreme Court was, that "The tions of society. Let them resolve, wherever they find a paper conducted in the interest of the depraved and in the interest of the depraved and in the case of McCullough vs. Maryland the depletes for all the Supremental States are still foreign to each other for all but Federal purposes." licentious, to cut off the stream of its support, which is its patronage, and it will fall, poor, powerless and breaking down the lines which sepage and two

called "Cockrill Spring" Its history and practice of the American gives the answer thus: In 1779 John system of government. They have destroyed it in part, and if these river, with theneral James Robertson. ed by the Democracy, the fact, as well a "block house" on the as the theory of State rights has passed

bank of the river, where the suspen- away, never, perhaps to reappear the colony lived for some years. In after the lapse of many sad and bloody 1780 John Cockrill married the sister revolutions. When the strongest of Gen. Robertson, Elijah Robertson, and Mark Robertson. The wedding was in the block house, or fort, where they lived till several children were born. When the Indians were driven further away, John Cockrill purchased, with a cow and calt, the tract of land where the spring is, and the Fair Grounds, and it included the Penitenters of the Mark Robertson. The wedding down, the race to imperial despotism is soon finished. In one word, the is soon finished. In one word, the is soon finished. In one word, the indians were driven further away, John Cockrill purchased, with a cow and calt, the tract of land where the spring is, and the Fair Grounds, and it included the Penitenters of the Mark Robertson. The wedding down, the race to imperial despotism is soon finished. In one word, the indians were driven further away, John Cockrill purchased, with a rush, lifting the miner and fining him probably a distance of fitty feet against the ragged coal. Be hind again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of pure air and foul, and again there is a shock of the mong politicians. The morals of New York, public and flinging him probably a distance of fitty feet against the ragged coal. Be hind again there is a shock of New York, public and fininging him probably a distance of fitty feet against the ragged coal. Be hind again there is a shock of New York, public and fininging him probably a distance of fitty feet agai

the atrocious acts of violence which Boyd's heirs, and thus became a public spring. The Fair Grounds were purchased by the company from Boyd's heirs, and is a portion of the tract.

Thus it appears that the spring was never sold but once, Mark R. Cockrill to John Boyd.

The fair Grounds were great beginning, siter the speciacle of so much glory, after the land had been filled with monuments of wisdom and statesmanship which can perish only with the national language; after all that is noble and heroic in war, pure and good in neace

ranks. But we think we see the ranks. But we think we see the greatest danger in this new departure affair, and as an honest journalist, we feel it a matter of duty to warn the public against it. We intend to make no settled fight upon honest differences of opinion among Democrats, but we shall speak plainly and candidly; and labor to preserve harmony in the party. To elect a Democrat in mere name to the Presidential chair, upon a Radical platform, is not chair, upon a Radical platform, is no a victory over which we could rejoice. When a man's hands are tied he is helpless enough. But when his mind is fettered, he is an infant indeed. TELEGRAPHIC SUMMARY.

Boston horse-shoers are on a strike. The Boston inquest will be resumed

The horse disease is on the increase In Brooklyn.

Four thousand emigrants to America left Liverpool during August.

Gideon Welles, ex-Secretary of the May, is for Gratz Brown for President.

Walter Montgoinery, a well-known actor, committed suicide yesterday in London.
